			<p>Remote Communication Technology (RCT). Hearings may be conducted via RCT. Judges may elect to hear motions without hearings, provided parties have time to respond. Oaths in trials, hearings, and depositions may be administered via RCT. All scheduling order deadlines extended 45 days following Governor lifting/rescinding emergency COVID-19 orders. Due date for all trial court filings due on or after 4/3/2020 is extended 30 days. If a party was required to take an action on or after 3/13/2020 but failed to do so, that procedural default is forgiven, and required action shall be taken within 30 days of this order (4/3/2020). Attorneys are able to grant more than one extension of time without leave of the court and encouraged to do so. Extensions do NOT extend time to act under Rules 50(b), 52, 59, or 60, SCRCP, or Rule 29, SCRCrimP; does NOT extend or affect time to service notice of appeal. Trials and hearings may be conducted without a court reporter as long as recorded in a manner to allow a court reporter to transcribe later. Courthouses shall remain</p>

Protective masks or other facial coverings are REQUIRED while inside county and municipal courthouses. During courtroom proceedings, the judge may require the removal of masks or face coverings for a brief period of time for the fair presentation of the case. In such instances social distancing should be observed. Persons may be required by judges, courthouse staff, or law enforcement to briefly remove their mask when necessary for identification purposes. All persons employed in,

conducting business in, or otherwise visiting or present for any reason in county and municipal courthouses statewide shall be screened for fever by courthouse staff using an infrared or temporal thermometer. Anyone who registers a temperature of 100.4 degrees Fahrenheit or above shall not be admitted. Any person who refuses to comply with these directives is subject to contempt for violation of this order. This order does not prohibit anyone from wearing other PPE, including but not limited to gloves, in addition to their mask or other facial covering. *Eff. 07/30/2020.*

Participation in Closings of Real Estate Transactions – to the extent that the Rules of Professional Conduct may require an attorney to be physically present at the closing of a real estate transaction and in close proximity to the parties to the transaction, an attorney may participate in and supervise the closing of a real estate transaction by way of a video conference. Necessary persons to a real estate transaction may, under the direction of the supervising attorney, similarly participate in the real estate closing by way of a video conference, provided any necessary person so consents; further, the supervising attorney shall ensure that the attestation of a recordable instrument is

accomplished, which may be satisfied by use of real-time audio-visual communication technology, provided the identity of any necessary person is confirmed and a notary attests the signature of any necessary person. The supervising attorney shall consult with any lender(s) and any participating title insurance company to ensure that the real estate closing measures taken are acceptable to the applicable lender(s) and title insurance company. This order is effective as of May 1, 2020 and remains in effect until August 1, 202, unless modified or rescinded earlier. *Eff. 05/01/2020.*
